# Chat, Forum

The screenshot displays a Course Management System (CMS) interface. At the top, there is a navigation bar with the text "CMS ► ENG 003-03 ► Forums ► EduForum 6 ► Edu Forum 6" and a search box labeled "Search forums". The main content area shows a forum post titled "Edu Forum 6" by Mehmet Faruk Demirci. The post text reads: "He was born in Turkey in 1950. In 1957, he married Sabanci Corporation. In 1964, he died in 2004. He was the 147th richest person in the world. Sakıp Sabancı described him as 'the most important person in our country'. See you Edu Forum 7". Below the post, there are two replies: "Re: Edu Forum 6" by Emre Yıldırım and "Re: Edu Forum 6" by Ali Can Civan. A chat window is overlaid on the forum post, titled "Chat: TC: Chat with Faculty Librarian - Mozilla Firefox". The chat window shows a conversation between Gökhan Leblebici and Muhteşem Önder. The chat history includes: "15:52: Gökhan Leblebici has just entered this chat", "15:54: Muhteşem Önder has just entered this chat", "15:54 Gökhan: How can I find articles about Business Planning?", and "15:55 Muhteşem: Easy, please open a web page and follow my leads". The chat window also shows a status bar at the bottom with "Auto Scroll" checked and "Transferring data from cms.ozyegin.edu.tr...".
